All –

Paula – before you move on this, Jeff and Marvene, please review and make sure this is correct.

For award of the IA:

1. Paula – call Aaron and have him pull back the IA.
2. Robin/Paula – have the commitment clerk modify the funding to make it generic.

IA specifics that need to change:

1. Title on the IA: Region 8 Generic IA for Technical Assistance (Upper Animas Technical Support)
2. SOW:
 - Purpose: Include the site name and that only Upper Animas TA under this scope can be performed on this IA

- Include the WAF process language
3. Accounting:
- Generic accounting string (assuming TA funding) is 08WQTA00.

Once the IA is awarded:

1. WAF #1:
Site Name: Upper Animas RI/FS

Account string: 085MTA00 cost org: 001

2. WAF #2:

Site Name: Upper Animas PRP

Account string: 085MTA00 cost org: 002
